

Beading Edge Protection SM1

EdgeGuard , Article number: 800-00006

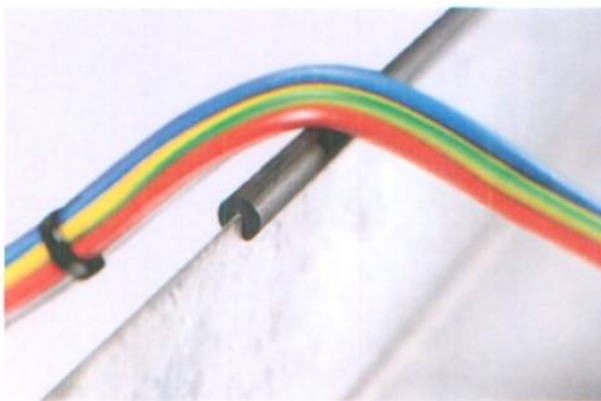

Features

- Made of flexible PVC compound
- Easy to apply
- Protects cables from chafing on bulkheads

Application

PVC Beading strip is used to protect cables routed provide an attractive finish to panel edges.

EdgeGuard is suitable for following

Base Data

| | |
|-------------------|-------------------------|
| Colour | Black (BK) |
| Manufacturer Type | SM1 PVC BK 560 |
| Product Family | EdgeGuard |
| Product Group | Beading Edge Protection |

Product Dimensions

| | |
|--------------------------------------|----------|
| for Panel Thickness min - max | 1 - 2 mm |
| Height (H) | 6.3 mm |
| Height (H2) | 4.9 mm |
| Length (L) | 75 m |
| Width (W) | 5.0 mm |
| Width (W2) | 1.0 mm |
| Width (W3) | 1.8 mm |
| Width (W4) | 4.2 mm |

Logistics and Packaging

| | |
|---------------------|---------|
| Pack Cont. | 560 |
| Quantity per | Lengths |

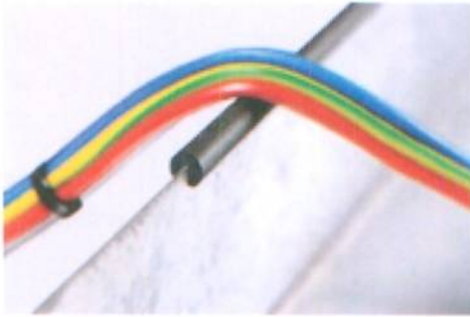

Material and Specifications

| | |
|------------------------------|-------------------------|
| Flammability | UL94 HB |
| Material | Polyvinylchloride (PVC) |
| Operating Temperature | -65 °C to +105 °C |

More Information

| | |
|-----------------|----------|
| ETIM 5.0 | EC001937 |
| ETIM 6.0 | EC001937 |
